Application for Listing on the New Prime Market Segment of the Tokyo Stock Exchange

NICHICON CORPORATION received the results of its initial assessment from the Tokyo Stock Exchange on July 9, 2021, confirming that it fulfilled the requirements for listing on the new Prime Market segment of the Tokyo Stock Exchange.

Based on these results, NICHICON CORPORATION's Board of Directors resolved during a meeting held on November 9, 2021 to select and apply for listing on the Prime Market segment of the Tokyo Stock Exchange as the exchange introduces new market segments.

Moving forward, NICHICON CORPORATION will follow prescribed procedures and proceed according to the application schedule set by the Tokyo Stock Exchange.
